

Scientific Meeting: **Economics for Energy 7th Annual Workshop.**
Economic Challenges for Energy

Madrid, February 16, 2017

CV

JIM WATSON

Professor Jim Watson is Director of the UK Energy Research Centre and a Professor of Energy Policy at the University of Sussex. He was Director of the Sussex Energy Group from Dec 2008 to Jan 2013. He has 20 years' research experience on climate change, energy and innovation policy. His recent outputs include co-edited books: *New Challenges in Energy Security: The UK in a multipolar world* (Palgrave, 2013; with Catherine Mitchell) and *Global Energy: Issues, Potentials and Policy Implications* (Oxford University Press, 2015; with Paul Ekins and Mike Bradshaw).

Prof. Watson frequently advises UK government departments and other organisations. He was an advisor to the Government Office for Science for a Foresight project on energy (2007-08). He is a judge for the Queens Awards, a member of the Global Challenges Research Fund strategy advisory group and a member of the government's fossil fuel price projections panel. He has also been a Specialist Adviser with three Parliamentary committees. Jim has extensive international experience, including over ten years working on energy scenarios and energy innovation policies in China and India. In 2008, he was a Visiting Scholar at the Kennedy School of Government, Harvard University.
