

Scientific Meeting: **Economics for Energy 7th Annual Workshop.**
Economic Challenges for Energy

Madrid, February 16, 2017

CV

LUCA TASCHINI

Luca Taschini is an expert in energy economics, industrial organisation, environmental economics, finance and the application of economics to public policy issues. He is an Assistant Professorial Research Fellow at the Grantham Research Institute at the London School of Economics where he leads the Carbon Trading and Finance research programme. His current research investigates environmental markets and energy markets. More specifically, he is studying the functioning and design of transferable permit systems.
