Madrid, 30 y 31 de enero de 2012

*Madrid, January 30-31, 2012*

### **CV- Valentina Bosetti**

Valentina Bosetti holds a PhD in Computational Mathematics and Operation Research from the Università Statale of Milan and a Master Degree in Environmental and Resources Economics from University College of London. She works as a modeler for the Sustainable Development Programme and as Climate Change topic leader at FEEM since 2003, coordinating a research group on numerical analysis of carbon mitigation options and policies. She has published several papers in the field of economics of climate change policy, including some linking forest management to the climate change policies. Valentina is currently the holder of a ERC grant on innovation in energy technologies.
