

Clases Magistrales 2: Género, inclusión y diversidad en Gestión en el siglo XXI

Gender, Inclusion and Diversity in Management in the 21st Century

Madrid, 27 - 29 de mayo / May 27-29 2019

BIO

Hyun-Jung Lee

Dr Hyun-Jung Lee received her Bachelors and Masters degrees in Psychology at the Department of Psychology, Seoul National University, Korea. She started her PhD in Organisational Psychology whilst working with major Korean companies, including Samsung and LG, before moving to London to complete it at LSE.

Upon completing her PhD, Dr Lee travelled around the world to see how people in different cultures see, perceive, think and live differently. Her destinations included Siberia and Central Asia, India, China, East Africa, and the Middle Eastern countries of Lebanon, Syria, Jordan and Egypt. Dr Lee has also taught at the KAIST Graduate School of Management in Korea as Assistant Professor.
